We know the winners of the 12th TIME Economic Forum Awards

On 9 March, during a grand Gala night, the 12th Time Economic Forum Awards were handed out.

The TIME Economic Forum Award is a token of appreciation handed out to companies and individuals who, through their attitude, work and commitment, contribute to the development of the ICT market, at the same time promoting cutting-edge technologies, constantly raising the standard of the offered products and services and supporting the digital industry transformation. The list of nominees by category can be found below:

Category: Innovation and Development in the ICT industry

Globema - for developing and implementing innovative IT solutions based on maps, geospatial data and artificial intelligence.

Category: Innovation and Development in the financial industry

Operator Chmury Krajowej - for providing a technological platform that provides for improving the innovation of the Polish economy based on cloud computing solutions and optimizing IT processes and costs in accordance with the requirements of local market regulators.

Category: Event of the Year in the Category of Innovation Promotion and Cooperation

Digital Poland Foundation - for its Digital Festival

Category: Event of the Year in the ICT industry

Nominees:

Vectra and Multimedia - for successful consolidation and development of the electronic communications market.

Asseco and Cyfrowy Polsat - for cooperation in creating new advanced telecommunications and IT services in the ICT sector.

Category: ICT Ambassador in Science and Education

Andrzej Sobczak, Prof. of WSE
